

THE LIFE SAVING RULES

# LIVE ELECTRICAL

Apply controls  
and meet boundary  
access requirements

- I am qualified and authorized to work on live electrical systems
- I execute job safety planning for every electrical task
- I apply controls and use shock and arc flash rated personal protective equipment
- I verify all tools and equipment are insulated and rated for voltage level
- I confirm emergency response equipment are available and ready

WE START WORK **ONLY** WHEN IT'S SAFE, AND **STOP** WHEN IT'S NOT.
